We also want to make sure that you are learning, playing, and ready to succeed!
YOU belong in Durham!
"Grown in Durham: Durham County's Early Childhood Action Plan" was created by over 150 parents, caregivers, early childhood providers, community leaders, and institutional leaders with input from more than 1,000 parents across Durham.

The planning process was funded and facilitated by Durham County and the Durham Children's Initiative (DCI).
